Dear Mr. Crapo:

Your notice to conduct mining related operations on your claims, Treasure Chest #1 - #8 in T. 11 S., R. 11 W., Sec. 6, and in T. 11 S., R. 12 W., Sec. 1, 4, and 12, has been received and accepted by this office. Your notice has been assigned case file number UT-054-91-11N. Please use this number in any future correspondence concerning this notice. In order to make our files more complete we would ask you to fill out the enclosed notice form. Please be specific.

We have also enclosed a copy of the Standard Operating Procedures required by the Richfield District, House Range Resource Area. Please follow these guidelines as they pertain to your operations.

If you change your operation from what is described in your notice, please contact this office prior to the change. If your operations extend for more than one year, please advise this office of the status of your mining related activity on the anniversary date of your notice.

A copy of your notice form will be sent to the Utah Division of Oil, Gas and Mining (DOGM) when you complete it and return it to us. Therefore, you will not have to file this notice with DOGM. However, reclamation under this notice is required to conform to the standards of the Utah Mined Land Reclamation Act. Also, all mining claimants and operators that plan to use, store, or divert water are required by Utah statute to notify the Utah Department of Water Resources at:

1636 West North Temple
Salt Lake City, Utah 84180-1203

As required by 43 CFR 3809, Surface Management Regulations, reasonable measures must be taken to prevent unnecessary or undue degradation of public lands during your operations. Please

notify this office upon completion of operations and reclamation,
so an inspection may be conducted on the site.

Acceptance of your notice will not now, nor in the future, serve
as a determination of the validity nor ownership of any mining
claim included under your notice.

Thank you for submitting your notice. If you have any questions
regarding this letter, please feel free to contact Rody Cox at
(801) 743-6811.

Sincerely,

Rex Rowley
